System Comparing

U-ARK America

The screenshot shows the U-ARK America U-Care System interface. At the top, there's a login bar with the text "Login as: U-ARK America Test" and a "7362 sec before log off" timer. Below this is a navigation bar with tabs for "Back to List", "Diagnosis", "Resident List", and "Select date". The main content area displays the "Resident's Profile" for a resident named Leon Chen. The profile includes fields for Name (First name, Middle initial, Last name, Suffix), Nickname, Gender (Male, Female), Race/Ethnicity (Asian), SSN, DOB (2000/01/01), Birthplace, Height, and Weight. There are also buttons for "Add resident photo" and "Upload resident photo". The interface is clean and modern, with a blue and white color scheme.

PCC

The screenshot shows the PointClickCare (PCC) interface. It features a complex layout with multiple panels. On the left, there's a "Resident List" table with columns for Name, DOB, and Status. The main area displays a "Resident Profile" for a resident named Leon Chen. The profile includes fields for Name, DOB, Race/Ethnicity, SSN, and DOB. There are also buttons for "Add resident photo" and "Upload resident photo". The interface is cluttered with many buttons and links, and the color scheme is primarily green and white.

Foothold

The screenshot shows the Foothold Services Menu interface. It features a "Services Menu" with a "Program" dropdown set to "ACT Services Team One" and a "Database" dropdown set to "Data Entry". Below this, there are two main sections: "Individual" and "Group". The "Individual" section includes buttons for "Contacts Log", "Progress Notes", "Service Plans", "Charting Timetable", "Service Coordinators", "Service Referrals", "Calendar", and "Utilization Reports". The "Group" section includes buttons for "Activities", "Group Notes", "Staff Training", "Outreach Mailing", and "Group Schedule Setup". At the bottom, there are buttons for "Jump Back", "Opening Menu", "Help Menu", and "Log Out". The interface is simple and functional, with a blue and white color scheme.

MATRIX

The screenshot shows the MatrixCare 1.100 interface. It features a "My Unassigned Orders" section with a search bar and a table of orders. The table has columns for "Order Description", "Special Instructions", "Frequency", "Start Date", "End Date", and "Ordered By". Below this, there's a "Facility A" section with a "Select All" button and a "Facility B" section with a "Select All" button. The interface is modern and clean, with a blue and white color scheme.

Product Value to your facility

Feature	Value
Icon based system	Easy to learn and use
All personnel onboard	Catch comprehensive information for review
MDS auto generate	Speed up reimbursement
Include Quality Measures	View your performance before health inspection
Calendar and reminder	Everything on schedule
Resident's dedicated account	Brand your facility while enjoying lower complain filing

Why UCare?

- **Simplicity**
The easiest system in the market
- **Efficiency**
40% faster than competitors
- **Interoperability (Patenting)**
The only system brings all software onboard

Data Security (HIPAA)

HIPAA Compliant Data Center
Business Associate Agreement
RISK Assessment + Management
Training material
Security plan + Disaster Recover

Our Uniqueness

The only (s):

- Brings caregivers, care-receivers, family and care payers onto the solution
